

IMCC – DUBLIN – October 2008

CESAM is a structure of which Marine Insurers operating in France are members.

Based in Paris, its missions are:

- 1. Make available a worldwide network of Average agents for the members and their clients**
- 2. Provide advices and follow the claims in case of major event.**
- 3. Organize the “Rendez-vous de l’Assurance transports” each year in Cannes. The first time for this international event will be on 28th-29th April 2009 on the theme of “Giantism viz insurance”.**
- 4. Manage the financial flows in case of coinsurance. And, now, operate the Optiflux© system.**

OPTIFLUX© is a standard market system, used by leading Underwriters and recommended by UCAMAT to its Members.

CESAM is examining the potential for its extension :

- ✓ To other categories of information such as :
Insurance policies, Insurance proposals, Claim reports...,**
- ✓ To other Branches of the Insurance Industry
(Aviation, foreign co-insurance...).**
